

Surge-Acc

Surge and Water Hammer Accumulators From Stock Inventory ★

The Range of Surge-Acc Sizes and Pressures

- ■ ■ Stop toxic spills by preventing pipe weld fracture.
 - ■ ■ Accumulate the surge, so preventing pressure rise.
 - ■ ■ Allow your valves to close quickly in an emergency without water hammer shock.
 - ■ ■ Accommodate back flow from pump shut-down without the destructive "bang".
 - ■ ■ More safety, Ensure a greener world. Saves down time.
- For 8", 6", 4", 3" pipe lines.
Vol. 46, 33, 20, US Gallon.
